

Join Youth Services for a great day of golf, networking and community at beautiful Sunset Ridge Country Club all while making a difference. Our golf outing sells out every year, so reserve your spot today at ysgn.maestroweb.com!

Due to Covid-19 our Golf Outing will look a bit different this year as the safety of all of our participants is our number one priority, so we have made the following changes to our event:

- The event will no longer be a shot gun start, but will have pre-assigned tee time starts for all foursomes. Tee times will be safely spaced apart to maintain proper social distancing.
- Contactless check-in begins at 7:30 am. First tee time at 8:00 a.m. Foursomes will be scheduled in 10-minute increments.
 - Please note: If Illinois were to revert to Phase 3, the event structure would change and we would notify all guests immediately.
- Food and open bars will be available outside along the course. No indoor dining will occur.
- High level networking opportunities will still be possible, but set-up outdoors in a socially distanced manner with smaller groups.
- Our post-Golf dinner program will not occur. Instead, guests will be able to bid on auction items, buy raffle tickets and support our Fund A Need program through a link that will be texted to each participants cell phone.
- Guests will be asked to depart the course within 45 minutes of finishing their round of golf.

Below are the COVID-19 health and safety measures Sunset Ridge Country Club has in place:

- Masks must be worn when in any part of the Club at all times.
- Carts are disinfected before each use.
- No touching of the pins.
- Single caddies are available to use, temperatures are taken for each caddie every morning.
- Two golfers/golf bags per cart. Golfers can choose to take turns on the cart with one player walking while the other player drives, alternating through the round.
- Hand sanitizer stations will be along the course. Hand sanitizer will also be provided in golfer gift bags.
